Internationally renowned DJ and producer Netsky, is a legend of the drum & bass scene and has wowed audiences across the globe from Coachella to Pukklepop to Glastonbury. In 2017 he launched his 'Netsky And Friends' brand, curating his own stage at Tomorrowland (alongside headlining the festival's Main Stage), and has continued to roll out this concept at festivals and clubs throughout Europe, with more planned globally for 2023. As well as a legion of truly global fans, Netsky has won a host of accolades; the youngest ever recipient of the Flemish culture Award for Music and was voted the highest ranking Drum & Bass DJ in the DJ Mag Top 100. Netsky has four successful studio albums featuring collaborations with Lil Wayne, David Guetta, Becky Hill and Aloe Blacc and remixes for the likes of Dua Lipa, Diplo and Ed Sheeran. In 2020, he took the drum & bass scene by storm with his fourth studio album, 'Second Nature' and his Glasshouse arena tour of New Zealand, where he sold over 60,000 tickets. Since then, Netsky has brought the Glasshouse production to sold out shows at Printworks in London and a 360° spectacle at Lotto Arena in his hometown Antwerp ahead of a busy summer in 2023, kicking off a new partnership with Helix Records and the release of the hit single 'Barricades' featuring Rita Ora.
